Varifiable with Proof - 100% Guaranteed PRINT & MAIL SERVICE

Varifiable Print & Mail Service

Varifiable Proof of mailing is provided each advertiser using our services. You'll never have to depend on 'luck' that you picked the right Print & Mail Service again... No more wondering if your circulars are really being mailed. NOW YOU'LL KNOW FOR SURE!!

**Faster Service • Names Supplied
Easy Tracking of Mailings**

When you send your Print & Mail order do you ever wonder what 'really' happens. Are you concerned your circular only gets a handful truly printed and mailed... maybe only a checking copy? You can STOP being concerned about all that when you use our Varifiable Print & Mail Service. "We are totally dedicated to SERVING you well"

If you have ever tried to do your own mailings you are well aware of the high cost not to mention all the work involved... just to find out you wasted it all by mailing to a worthless list. We have solved that problem for you with our varifiable Print & Mailing. You can sit back and leave the mailing to us...worry free.

I suggest to you, after one test order for our services - you will KNOW, without doubt, what I say is all true... We will print and first class mail your 8½x11", camera ready, black and white one side circular to the HOTTEST, Freshest, Proven Opportunity Buyers in America - bar none, because it is our own list.

Most orders are printed and mailings started within 24-36 hours after receipt of the order. Your confirmation will be mailed to you the day following receipt of order. Your order is varifiable by you because our list of all the names and addresses your circulars were mailed to are available to you. You can use this list to verify our mailings, do follow up mailings, whatever. The list is probably worth more than you pay us to do your Printing & Mailing... but we don't mind sending it to you... for your peace of mind.
